**Subject:** New community involvement coordinator

Mary and John.

My workload has increased to a point that another community involvement coordinator is now being assigned to work at the CFAC site. So with this email, I'd like to introduce you to the new CIC, Robert Moler, who works out of our Montana office (406.457.5032). We are in the process of transitioning site activities to him, and he will be your new POC for community involvement needs going forward.

It has been a pleasure working with you and the rest of the CFAC team.

Best regards,  
Cynthia
